

## WHAT TO BRING

As always, we do suggest you plan to dress in layers and bring rain gear just in case. We will not cancel an activity just because it is raining. Lighting Yes. USE COMMON SENSE when packing! If you don't have common sense, you still may have time to acquire some. Now on to...

## THE LIST:

- WATER BOTTLE/HYDRATION SYSTEM. Hikers are advised to bring at least two liters (three for all-day advanced hikes). Many hikes will not have places to fill up during the day, so it's important to have enough. Anyone who does not have enough water may not be permitted on certain hikes, at the leader's discretion.
- TOWELS (bring more than one in case they do not dry fast enough).
  - A towel and washcloth are included in the linen package only if you paid to rent the package during your registration by August 13<sup>th</sup>.
- SLEEPING BAG OR LINENS!!! -
  - Bedding Package Includes: blanket, sheets, pillow/pillowcase, towel, washcloth
    - You would receive a Bedding Package only if you paid for a rental package prior to August 13<sup>th</sup>.
  - If you are sleeping in a standard cabin, the beds are common cot sized. Twin sheets should work.
  - If you are in an upgraded room, there is a variety of different sized beds. Our volunteers will not be able to tell each individual what sized bed they have. So please don't ask. The best guess is bringing queen-sized sheets. If you have a smaller bed, you can just tuck in the sheets a little more (Most couples will be in queen-sized beds but no promises).
- Pillow
- T-shirts. Suggest non-cotton wicking shirts and hiking pants if you have them.
- Long-sleeve shirt(s)
- Sweatshirt/Fleece/Insulating Jacket (synthetic material preferred). Two if you're prone to feeling cold.
- Shorts
- Long pants (non-cotton hiking pants preferred).
- Underwear/socks
- Sleeping clothes (Be nice to your roommates, bring them even if you do not normally wear them)
- Sneakers and flip-flops
- Hiking boots
- Dancing shoes for the Saturday Night Dance.
- Rain gear (Top and Bottoms. Umbrellas do not work well hiking).
- Swimsuit
- Hiking Hat or Sun Hat
- Wool hat (if you get cold easy)
- Toiletries (Tip: pack in reusable containers or bring large size to reduce plastic packaging waste)
- Any needed medications
- Any needed food/snacks for special conditions or allergies.
